

JRF-RFI-2020-001 –

JRF Training RF

Questions & Answers

1. What will be the language of the content (material) and the language of Delivery?

Mostly Arabic, bilingual is an advance

2. Clarification regarding final reports and evaluations, does that mean the final report is the analysis of the pre and post evaluation? Or the final report is something else, and if yes, kindly clarify this?

Trainee engagement and commitment, the pre and post evaluation and any suggested development areas.

3. If virtual “live on line” training is an option? Taking into account the social distancing and the defense orders, a venue for 12 – 16 people means 30+ people in normal circumstances.

In house training will ensure safe spacing, online will be an option

4. When do you envision the starting dates for the trainings? As this has implications on:
 - a. Customizing training for JRF requires input and guidance from JRF before training material is developed.
 - b. Secure the availability of the trainers for the dates to be set.

Mid July

5. For Advocacy training can you give for information:

- a) Who’s the target from this training?

Media and Communication staff, Community Mobilizers, Social workers.

- b) The type of their work

Answered above

- c) The number of experience
