Project Management Professional (PMP) Course for Project Staff

Questions & Answers

1. In the scope of work is was mentioned” to provide The PMP computerized exam.
 - a. Can you clarify this point since the actual PMP exam is held in special Independent centers that are not affiliated with the training providers?
 - i. Cost of the exam is 555 \$ / per participant for non PMI members and 405 \$ / par participants for PMI members to be paid for PMI and not to the training provider or the Testing Center, however this can be facilitated on behalf of the group of participants by the training provider

2. Or are you referring to the MOCK exam that simulates the real exam which is part of preparing the participants for the actual exam.

No, the actual exam

3. Kindly confirm that the content of the Materials will be in English
Confirmed

4. The delivery of the content can be done either in English or Arabic or bilingual (English and Arabic)
Bilingual

5. Under Scope of Work, the first point mentions that PMD (Project Management for Development) is a pre-requisite for all JRF participants. Can JRF confirm that this means that all staff selected for the course will have taken a PMD course and/or passed the PMD Pro 1 exam?
Must have passed the PMD Pro 1.

6. Under Scope of Work, the second point mentions the offerer is to provide the PMP computerized exam. We have two questions:
 - a. To confirm that the exam required (and preparation for which) is the Project Management Professional (PMP) exam and not the Project Management for Development (PMD) exam
The PMP exam

 - b. The PMP exam is administered by the Project Management Institute (PMI) and organizations cannot register test takers on their behalf, individual test takers must enroll themselves and submit supporting documentation for PMI evaluation ahead of clearance to take the PMP exam. Conversely, the PMD exam *can* be administered online by an authorized vendor/center
The cost to be included with the package, but the preparations and required documents will be prepared by the participants.

7. Having the PMD certificate as a prerequisite condition for the course, do we need to ensure participants are qualified for the PMP prep course?
How can we do that?

8. Will the delivery be totally in English or ok to be bilingual?

Bilingual

9. "To provide the PMP computerized exam" The PMP exam is provided only by PMI, do you want us to make the necessary preparations for the exam (PMI registration, exam registration,)?

Yes, and to include the exam cost.

10. "To provide the participants with course material/reference text book" Do you mean to provide the text book in hard copy or soft copy acceptable?

Put the cost for both

11. "Offeror to provide proposed training material with their proposal." Should we provide the whole material or is a sample enough?

The whole material.
